

DIAPER DRIVE

FAQS

What are the most needed items?

- ✓ Single packages of baby wipes.
- ✓ **Single packages** of unopened, unused diapers in sizes 5, 6, and 7.
- ✓ Walmart, Target, CVS, Market Basket, etc. all sell single packages of diaper and wipes. You can purchase a package of diapers and wipes for about \$9.

Why are they needed?

- ✓ Diapers are one of the most sought-after items we offer. In FY24, we distributed over 75,000 diapers and almost 3,000 packages of baby wipes!
- ✓ There are no federal or MA state programs to help with the purchase of diapers (SNAP and WIC apply only to food) so oftentimes parents are making choices between diapers and other essentials.
